Be Your Bro

Those Darlins

I just wanna I just wanna be your brother
You just wanna be my boyfriend
I just wanna run and play in the dirt with you
You just wanna stick it in
I just wanna be your brother
I dont wanna be your lover
Oooh whooaa whoa, I wanna be your broI just wanna beat each other up on the playground
To see who gets the bloody nose
We could stay up till its stupid late oclock
To see who can drink the mostWe could sit out in your back yard with our guitars
Singing songs so loud the neighbors yell
Wanna put a buncha eggs in the microwave
And sit and watch em bustin out their shellI just wanna I just wanna be your brother
You just wanna be my boyfriend
I just wanna run and play in the dirt with you
You just wanna stick it in
I just wanna be your brother
I dont wanna be your lover
Oooh whooaa whoa, I wanna be your broYou dont care to look with lust in your eyes at me
Even when were hanging with my man
He dont have to look in your eyes to read your mind
Cause its ashowin through your pantsYou could throw a ball Ill hit it with a baseball bat
Or maybe well just carry it around
I just wanna swim and play in the creek
Catchin crawdads till the sun goes downI just wanna I just wanna be your brother
You just wanna be my boyfriend
I just wanna run and play in the dirt with you
You just wanna stick it in
I just wanna be your brother
I dont wanna be your lover
Oooh whooaa whoa, I wanna be your broI may have girly parts but I got a boyish heartI just wanna I just wanna be your brother
You just wanna be my boyfriend
I just wanna run and play in the dirt with you
You just wanna stick it in
I just wanna be your brother
I dont wanna be your lover
Oooh whooaa whoa, I wanna be your bro
