

Tomorrow Has to Wait

Peter Bjorn and John

I don't think that you are sorry for what you did
(I don't think that you are sorry for what you did)
I don't think that you are sorry for what you did
I know you need it and you just don't know how to quit I don't think that you are sorry for what you did
(I don't think that you are sorry for what you did)
I don't think that you are sorry for what you did
I know you need it and you just don't know how to quit It's too late but tomorrow has to wait
It's the time of your life so tomorrow has to wait
But tonight's the night
And tomorrow is a million miles away It's too late but tomorrow has to wait
It's the time of your life so tomorrow has to wait
If you control yourself
Then give up before you break, well, it's too late I don't think that you are sorry for what you did
(I don't think that you are sorry for what you did)
I don't think that you are sorry for what you did
(I don't think that you are sorry for what you did) It's too late but tomorrow has to wait
It's the time of your life so tomorrow has to wait
Tonight's the night
And tomorrow is a million miles away It's too late but tomorrow has to wait
It's the time of your life so tomorrow has to wait
If you control yourself
Then give up before you break, well, it's too late
