

Nature Boy

[Harry Connick, Jr.](#)

There was a boy
A very strange enchanted boy
They say he wandered very far, very far
Over land and seaA little shy and sad of eye
But very wise was he
And then one day
A magic day, he passed my way
And while we spoke of many things
Fools and kings
This he said to meThe greatest thing you'll ever learn
Is just to love and be loved in return
