WITHOUT YOU (PROD. GREAF)

Spooky Black

[Intro][Verse 1]
See my face when I slide through
Every place I will find you
Every time we fell apart
Girl I see it in the scars
Baby hold my hand
Let me be your man
Let me take you away from the cold
Baby be my diamonds and gold
Wander through the dead with you caught up in my head
Thinkin I'ma flip and fill my brain with lead
I'ma end my life without you
Baby lets just see what these clouds do
I'm not so perfect
Baby yeah you're worth it, come right here
Hey
Girl let me see you work it
Now we closin curtains
Come right here[hook][Verse 2]
Don't you know you're so sexy
The way you move your body up and down
I wanna tell you how beautiful you are
But you're nowhere to be found
Hey
I tried to protect you
From my hands you left you
Broke my heart right there
All i do is stare
No you'll never fuckin care
Hey
I thought you were different
Telling me what is and I was wrong
I never thought of you as ignant and now I'm getting lifted
You're in my soul
Hey
Baby I'm about to die
Baby wanna watch me die
Baby don't you wanna know why

Didn't even try[hook][Outro]
