

Comfort you

Eskimo Joe

I will come
Come to comfort you
I will come
Come to comfort you I will come
Come to comfort you
I will come
Come to comfort you I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
