Now You Know (Death & 1/2 Prod. Rehearsal)

The Haunted

One last try. Unfinished promise,
reach down deep inside.I give up the day I die
at least this pains mine!We all die!
You and I!
Live a life
or live a lie!No retreat, no giving in,
no spiritual surrender.Face the facts. You're life is pain,
you're lost inside your mind.We all die!
You and I!
Live a life
or live a lie!
So now you know,
life's lesson has taught me well
I have no hopes.Worn down,
broken and beat by society's lies.
New pride,
found in the struggle of your survival.We all die!
You and I!
Live a life
or live a lie!So now you know,
life's lesson has taught me well
I have no hopes.Facing yourself.
Realize that you're nothing.
Through the eyes of despair,
a new fire rises.
Life lived uncompared,
you set your own standards.
In one final statement;
Do what thou wilt...!So now you know,
life's lesson has taught me well
I have no hope...Demonseed,
rise in me! (x2)
