Don't Leave Me Alone

Ashanti

What up, Ashanti?
Hey, hey, hey
Don?t leave me alone
Don?t leave me alone
Don?t leave me alone
Boy, won't cha just lay with me, stay with me?
I would love it if you had your way with me
?Cause I just, can?t get enough of your touch
You do the things I need to me so much
I don?t wanna let you leave, I don?t wanna let you go
Ooh, I need you here with me, so don?t leave me alone
Don?t leave me alone
Don?t leave me alone
Don?t leave me alone
Now if I could just be with you, breathe with you
If you were to ask me, I would leave with you
I will go around the globe as long as I know
I would be right by your side wherever you go
So I ain?t gonna let you leave, I don?t wanna let you go
Ooh, I need you here with me
Don?t leave me alone
Don?t leave me alone

Don?t leave me alone
Don?t leave me alone
Don?t leave me alone
Don?t leave me alone
One of the reasons that I never wanna be alone
?Cause I like what happens to me when I?m your arms
It feels like home, where I belong, ooh, baby, baby
?Cause my heart smiles from inside out
Only you could do it to me, baby, you could do it to me
So, I can?t leave you alone
Don?t leave me alone
Don?t leave me alone
Don?t leave me alone
Ooh, baby
Baby, babe
Ooh, baby

Baby, babe
Leave me alone
Don?t leave me alone
Don?t leave me alone
Don?t leave me alone
