## Orchestral Manoeuvres in the Dark

Well, here we are again, too, too good to be friends  
Forever, forever, forever  
Well, look at what we've done, three, three worlds into one  
Together, together, together  
So, how can this be true, we, we thought that me and you  
Forever, forever, forever In a world full of morning stark  
Rising overrunshed junk  
Dancing in the rigs of the western world  
Blindfolds on but we don't care
