Demolition Alley

Saxon

I've been working all day down on demolition alley
Looking down the barrel of a twelve gauge gun
Digging up rocks in this god forsaken valley
Breaking my back in the mid day sunI served my time I lost my mind (*)
On demolition alleyDays go by but it feels like a lifetime
Dragging me down like a ball and chain
Doing my time just walking in a straight line
It's the only thing I know just to handle my pain[Repeat *]
