

I Just Want to Dance With You

George Strait

I don't want to be the kind to hesitate
Be too shy, wait too late
I don't care what they say other lovers do
I just want to dance with you I gotta feeling that you have a heart like mine
So let it show, let it shine
If we have a chance to make one heart of two
Then I just want to dance with you I want to dance with you
Twirl you all around the floor
That's what they intended dancin' for
I just want to dance with you I want to dance with you
Hold you in my arms once more
That's what they invented dancin' for
I just want to dance with you I caught you lookin' at me when I looked at you
Yes I did, I ain't that true?
You won't get embarrassed by the things I do
I just want to dance with you Oh the boys are playin' softly and the girls are too
So am I and so are you
If this was a movie, we'd be right on cue
And I just want to dance with you I want to dance with you
Twirl you all around the floor
That's what they intended dancin' for
And I just want to dance with you I want to dance with you
Hold you in my arms once more
That's what they intended dancin' for
I just want to dance with you I want to dance with you
Twirl you all around the floor
That's what they intended dancin' for
I just want to dance with you I want to dance with you
Hold you in my arms once more
That's what they intended dancin' for
I just want to dance with you I just want to dance with you
I just want to dance with you
I just want to dance with you
