

Talk To Me (Sammy Porter Remix)

Nick Brewer

I hit you up, you don't want to write back
Or maybe you don't see me like that
And that's cool baby, I don't wanna fight that
You know me babe, I never been the type that
No I never been the type that
No I never been the type that lies to myself, uh
And now you like it to you, uh
So I don't wanna force nothing
See what I'm trying to do, all I require from you
Is that you stand there
I ain't saying I'm the man, but I am yeah
I'll make it damn clear
I'll be working my magic, there's no shazam's here
I see you playing with your hands there
Maybe you should talk to me I've been smoking too many cigarettes for you
For you
And I know you wanna win
But if you betting to a hundred
I know that you'll lose, you'll lose I just the type of girl that likes it
When you do me dirty now
Babe you know this life
Let me show you what I'm about
Talk to me now, oho
Talk to me now, oho
Talk to me now
Dirty now (I'm looking for the ride)
A few more days and I'm counting down (I love to sing it like) I don't see why you never answer my phone calls
You apologize and said you ain't very social
Now I know that's the past and I'm feeling hopeful
Together we could be better than this beat that I vocal
If only you'd let me show you
Now I know that it's cheesyish don't need a genius
To work out whether you're really feeling this
It's another familiar feeling, believe me it's cool
'Cause I don't wanna do nothing that's devious
Because you're something to me, never nothing to me
And honestly I don't really know if you're gonna agree
But anything I'm tryin' tell ya what I wanted to see
Whether you gonna be coming with me

But you gotta talk to me And I've been smoking too many cigarettes for you
For you
And I know you wanna win
But if you betting to a hundred
I know that you'll lose, you'll lose I just the type of girl that likes you
When you do me dirty now
Babe you know this life
Let me show you what I'm about
Talk to me now, oho
Talk to me now, oho
Talk to me now
Dirty now (I'm looking for the ride)
A few more days and I'm counting down (I love to sing it like) I'm counting down
A few more days and I'm counting down Come and take a walk on the right side
You ain't gotta pause I'm a nice guy
So why you're debating it uh
Tell me why you debating
Come and take a walk on the right side
You ain't gotta pause I'm a nice guy
So why you're debating it uh I just the type of girl that likes you
When you do me dirty now
Babe you know this life
Let me show you what I'm about
Talk to me now, oho
Talk to me now, oho
Talk to me now
Dirty now (I'm looking for the ride)
A few more days and I'm counting down (I love to sing it like) Talk to me now
A few more days and I'm counting down
Talk to me now
A few more days and I'm counting down
Talk to me now
A few more days and I'm counting down
Babe you know this life
Let me show you what I'm about
