

God Forsaken Land

Sakia

Thousands of miles of abandoned desert
All kinds of fountains with no water
The limits have been pushed for too long
What if they are right and we are wrong

I can't be what you want me to be

Have you ever seen the truth in disguise?
The truth is found behind the wall of lies
We should be disarmed now or never
Or the war within ourselves will last forever

I can't be what you want me to be

Come and take my hand, no need to understand
This broken heart will never heal

Come and take my hand, no need to understand
This broken heart will never heal

Come and take my hand, no need to understand
