

# Longer

Melissa St. James

Longer than there've been fishes in the ocean  
Higher than any bird ever flew  
Longer than there've been stars up in the heavens  
I've been in love with you  
Stronger than any mountain cathedral  
Truer than any tree ever grew  
Deeper than any forest primeval  
I am in love with you  
I'll bring fire in the winters  
You'll send showers in the spring  
We'll fly through the falls and summers

With love on our wings  
Through the years as the fire starts to mellow  
Burning lines in the book of our lives  
Though the binding cracks and the pages start to yellow  
I'll be in love with you  
Longer than there've been fishes in the ocean  
Higher than any bird ever flew  
Longer than there've been stars up in the heavens  
I am in love with you, I am in love with you  
I am in love with you
