You

Lasgo

You did those things to me
(You)
Only you could make me smile
You were the one for me
(You)
All my pain was gone for a while
Tell me why, please tell me now
Why you had to go
Now I cry, I keep on crying
All those tears for you
I keep on screaming out your name
But it doesn't feel the same
I should know better but I hope
That you come back to me
Tell me why, please tell me now
Why you had to go
Now I cry, I keep on crying
All those tears for you
I keep on screaming out your name
But it doesn't feel the same
I should know better but I hope
That you come back to me
