Its Getting Old

Cottonwood Firing Squad

It's a cool feeling, man I'm feelin' cold. It's that old, familiar feeling. The feeling of gettin' old. It's that cold feeling, man I'm feeling cold. It's that old familiar feeling. The feeling of gettin' old. It's gettin' old.

It's that train a-rollin', comin' down the line. If that train keeps on rollin', I'll be gone by the mornin' time.

It's a strange feelin'. Man I'm feelin' strange. It's them drugs that you're dealing, making me wanna stay. It's a strange feelin'. Man I'm feelin' strange. It's them drugs that you're dealing, making me wanna stay.

It's that train a-rollin' coming down the line. If that train keeps on rollin', I'll be gone by the mornin' time.

It's gettin' o-o-old. It's gettin' o-o-old. It's gettin' o-o-old. It's gettin' o-o-old.
