

Imaginary Friend

Tove Lo

People said you're not a superstar
Can't jump that far
You know better
Got my arm around with superglue
Come power through
Yeah, whateverCrushing my heart, tear me apart
Hate on this world 'cause reality sucks
Feeling their doubt, shut them all out
Crushing my heart, tear me apart
Hate on this world 'cause reality sucks
Feeling their doubt, shut them all out
'Cause I need youImaginary friend, stay with me 'til the end now
Keeping me dreaming
Imaginary friend, stay with me 'til the end now
Over, over again(Don't you know I)
(Oh!)
Keeping me dreaming
(Don't you know I)
(Oh!)
Over, over again
(Don't you know I)Breaking bones to feel like I'm alive
How kids get high
Need a feeling
We want big things, but they make us small
No game at all
They don't feel itCrushing my heart, tear me apart
Hate on this world 'cause reality sucks
Feeling their doubt, shut them all out
Crushing my heart, tear me apart
Hate on this world 'cause reality sucks
Feeling their doubt, shut them all out
'Cause I need youImaginary friend, stay with me 'til the end now
Keeping me dreaming
Imaginary friend, stay with me 'til the end now
Over, over again(Don't you know I)
(Oh!)
Keeping me dreaming
(Don't you know I)
(Oh!)

Over, over again
(Don't you know I)Crushing my heart, tear me apart
Hate on this world 'cause reality sucks, hmm
Crushing my heart, tear me apart
Feeling their doubt, shut them all out
Over, over again(Don't you know I)
(Oh)
Keeping me dreaming
(Don't you know I)
Uh
(Oh)
Over, over again
(Don't you know I)Imaginary friend, stay with me 'til the end now
Oh
Keeping me dreaming
Imaginary friend, stay with me 'til the end now
Over, over again
(Don't you know I)I don't know, I guess it's kinda like a voice in my heart
Reminding me that there's nothing to fear in the things I'm afraid of
