

Guess Who's Back (feat. Jay-Z & Beanie Sigel)

Scarface

Talk to me man
This ya boy Young Hova, yo turn the motherfucking noise up
We'll get right into the proceedings this evening
Headphones are distorting, bring it down a lil' bit
Okay, now we working with it
The boy Face on the bass line, Face - Mob!
Welcome to New York City, it's ya boy Young Hov' chea
Kanye West on the track (whoo!) Chi-Town, what's going on now?
Can I talk to y'all for a minute? Lemme talk to y'all for a minute
Just gimme a minute of ya time baby - I don't want much (whoo!)
Lemme talk to these motherfuckers, uhhGuess who's bizack?
You still smelling crack in my clothes
Don't make me have to relapse on these hoes
Take it back out to taxing them roads
When I was hugging it, niggas couldn't do nothing with it
Straight from the oven with it, came from the dirt
I emerged from it all without a stain on my shirt
You can blame my old earth, for the shit she instilled in me
Still with me, pain plus work
Shit she made me milk this game for all it's worth
That's right, these niggas can't fuck with me
I'm calling guts every time, drag my nuts every time
Homey, we make a great combination don't we?
Me and the Face Mob, every time we face-off
Face it y'all, y'all niggas playing basic ball
I'm on the block like I'm eight feet tall
Homey, I'm in the drop with the AC on
That's why the, streets embrace me dawg, I'm so cool!Guess who's bizack?
Back on the block with the old Face Mob
Mack Mittens and Hov'
Don't make me relapse
Back to the block with the fo'
Cuz this street shit is all I knowFrom the womb to the tomb, a hot pot of joy and a spoon
Trying to make me forty thousand and move
Motels, star-studded, rock stars and goons
Plain clothes wanna run in my room
But nigga guess who's bizack? It's ya boy Face Mob
Started with an eightball, gotta get this cake dawg
Give niggas a break, nah, you know how the game go

Fuck you think I slang fo', to go against the grain (no)
 I'm out here to grind mo', rapped up in the paper chase
 I wanna fuck a fine hoe and candy paint the 88
 Don't got no wholesale, cause that ain't how I wanna run it
 Here take these five stones and bring a nigga back a hundred
 Gotta see my feet dude, you do shit a fiend do
 The fire get too hot in the kitchen, I hit the streets fool
 Money is an issue, and that's on the fa' shizzle my nizzle
 Ya block warm, then I come by with the fizzle
 And make fa' sho' I get to work mines, for part of the time
 We go to war and you ain't making a dime (ha ha!)
 Cause I got, shit to lose, a nigga out here payin his dues
 My baby walking gotta get him some shoes
 It's a new game doing, lemme give ya the rules
 Get outta line and I'ma give ya the blues
 It's a new game doing, lemme give ya the rules
 Get outta line and I'ma give ya the blues, whoa! Guess who's bizack?
 The boy B. Mizack, a.k.a. Mr. Crack-A-Brick
 Turn a whole one from a half a brick, look I mastered this
 You can smell it once the plastic rips
 A hot plate'll make ya swell up if ya gasket clicked
 You can make ya chips swell up, ya don't have to pitch
 Play them corners like a safety, watch the traffic switch
 Young'n never pump fake, and you'll get past the blitz
 And keep ya whole hood on flip, like on box-spring
 Pissy Mack and shit, low old box of things
 Strictly glassy shit, I hug the block like a quart of water
 Shit I used to hug a corner like a old deuce and a quarter
 Till like deuce in the morning, with the old heads
 Slanging loose quarters, this Philly cat back gatted (had it)
 Still fucking with them crack addicts
 Still busting with that black-matic Guess who's bizack?
 Back on the block with the old Face Mob
 Mack Mittens and Hov'
 Don't make me relapse
 Back to the block with the fo'
 Cuz this street shit is all I know
