

Heavy Duty

Spinal Tap

No light fantastic ever crosses my mind
That meditation stuff can make you go blind
Just crank that volume to the point of pain
Why waste good music on a brainHeavy, duty
Heavy duty rock and roll
Heavy, duty
Brings out the duty in my soulI see you dancin' there in front of the band
You're playin' those solos with no guitar in your hand
I don't pull no punches, I wouldn't waste your time
And just 'cause it pays, that ain't no crimeHeavy, duty
Heavy duty rock and roll
Heavy, duty
Brings out the duty in my soulI don't need a woman, I won't take me no wife
I got the rock and roll and that'll be my life
No page in history baby that I don't need
I just wanna make some eardrums bleedHeavy, duty
Heavy duty rock and roll
Heavy, duty
Brings out the duty in my soul
