

Amazing

Tin Machine

I'm lazy
Your crazy, girl
Stay by my side I'm scared you'll
Meet someone
In whom you'll confide [Chorus]
Life's still a dream
Your love's amazing
Since I found you
My life's amazing I pledge you
You'll never be blue
There's too much at stake to be down My nightmare
Rooted here watching you go
Divine in both, our lives [Chorus] My life's a roll
Go go go
And it's amazing
