Telegraph

Drake Bell

Telegraph
And telephone
Tell a friend, I'm leavin'Heard you left me alone
But I'm here still breathin'
'Cause she's in meAnd tell me where you've gone
Could I meet you later on?
Should I let you be?I guess I'm letting you go
It's hard but it's just like they say
You had to be so
Hard on my heart and my headBut I left our past on the telegraph
And telephone
Tell a friend I'm grievin'Lift it up and tear it down
See what you believe in
'Cause she's in meAnd tell me where you've gone
Could I meet you later on?
Should I let you be?
I'm gonna let youI guess I'm letting you go
It's hard but it's just like they say
You had to be so
Hard on my heart and my headBut I left our past
On the telegraphAm I just wastin' time
Trying to lose your mind?
How do these things get done?So do you think it's true
When it comes out of you?
Aren't we the lucky ones?Telegraph
And telephone
Tell a friend I'm leavin'
'Cause she's in meAnd tell me where you've gone
Could I meet you later on?
Should I let you be?
I'm gonna
