

Chance Of A Lifetime

Material Issue

You think you're foolin' me with your lies, I see it shows in your eyes, and I'd rather die than compromise.
Don't go pushin' me baby I've heard it all before, and I don't wanna hear it anymore, go ahead there's the door.

Don't go tellin' no lies.

And don't miss the chance. The chance of a lifetime. And don't miss the chance, The chance of a lifetime,
chance of a lifetime.

You think you're cool with all the other guys, I see it shows in your eyes. I'd rather die than compromise. Don't
go tellin' no lies.

I've heard it all before. And I don't wanna hear it anymore. Go ahead there's the door. Don't go pushin' me
babe.

And don't miss the chance. The chance of a lifetime. And don't miss the chance, chance of a lifetime. And don't
miss the chance, chance of a lifetime. And don't miss the chance, chance of a lifetime, chance of a lifetime.

You think you're foolin' me with your eyes, I see and it shows in your eyes. And I'd rather die than
compromise, don't go tellin' no lies. Well I've heard it all before, and I don't wanna hear it anymore. Go ahead
there's the door, don't go pushin' me baby.

And don't miss the chance. Chance of a lifetime, chance of a lifetime. And don't miss the chance, chance of a
lifetime, chance of a lifetime, chance of a lifetime chance of a lifetime.
