

# Forgotten

[Spineshank](#)

You're the one who  
You're the one who steals the life from  
I'm the one who feels the falling  
I believe you're nothing but a problem Everything is so fake  
You're just a motherfucking sight to see  
And time will block the vision  
Life with you is so vague  
It's like I'm living in a dream I have wondered why this always happens  
Everything just falls away  
Soon you'll be the one who is forgotten  
It's so close but it's so far away You're the one who  
You're in disbelief of what you  
Thought you could achieve or try to  
Once I thought this life was never ending Must've been my mistake  
You're just a motherfucking accident  
Offending yet amusing  
I should have known that you  
And your intentions weren't for me You're the one who fed the violence  
I'm the one who broke the silence  
I will sew the hole you left inside me  
Leaving you in the past  
I will release
