

Roads (Pete Tha Zouk Bootleg)

Portishead

Oh, can't anybody see
We've got a war to fight
Never found our way
Regardless of what they say
How can it feel, this wrong
From this moment
How can it feel, this wrong Storm, in the morning light
I feel, no more can I say
Frozen to myself
I got nobody on my side
And surely that ain't right And surely that ain't right Oh, can't anybody see
We've got a war to fight
Never found our way
Regardless of what they say
How can it feel, this wrong
From this moment
How can it feel, this wrong How can it feel, this wrong
From this moment
How can it feel, this wrong Oh, can't anybody see
We've got a war to fight
Never found our way
Regardless of what they say
How can it feel, this wrong
From this moment
How can it feel, this wrong
