Daze

Hundredth

Daze
Hundredth
I tried to wake you
But you were lost
Lost in a daze
I gave upEviscerate your only [?]
Within a splintered, shattered silence [?]
And [?] suffered
No judgment [?]Rage
And while you I was willing to [?] in the fray
But when I tried to wake you
You were lost
Lost in a daze
You gave me this when I paid for that
You told me, "Once I'm gone, there's no coming back"
Now that you [?]
So far away
You forced yourselfWhen you force it
Out of your mind
All your fury in a fit of rage
When you force it
Out of your mind
All your fury in a fit of
Fit of rageWhen you force it
Out of your mind
All your fury in a fit of rage
And while you I was willing to [?] in the fray
But when I tried to wake you
The glassy cage
Because you were lost
Lost in a dazeLost in a daze
Lost in a daze
