

# Loud

## Snow

Zooky zound, zooky zound, down  
Time for us to fool around, boy now  
Zooky zound, down  
Time for us to fool around, boy now  
Zooky zound, zooky zound down  
Time for us to fool around, boy now  
Zooky zound, down  
Time for us to fool around  
Guilty till I'm proven innocent  
Whiplash freaky music accident  
You look sweet  
Bet you taste like cinnamon  
I love them and leave them  
Freestyle, everybody getting' down  
Laced out, music's hoppin' in my veins  
I stare and I'm steady makin' it  
Love it or leave it

\*

(I like it) Loud, I wanna hear it loud  
Right between the eyes  
Loud, I wanna hear it loud  
I don't want no compromise  
(\*Repeat)

(\*\*Repeat with counter melody)  
Raindrops rollin' down the windowpane  
Just can't leave you standin' in the rain  
We got frozen like the novacaine  
But just can't believe it  
Sit back, feels just like I live a dream  
Get stacked foolin with the?..  
In fact, we pump it up  
'Cause we just like to hear it  
(\*Repeat 2 times)  
Hip hop singin' to a reggae tune  
No more lonely Monday afternoons  
And I'd?  
'cause you just like to hear it  
Sometimes I just wanna hide away

If not for my little baby jane  
And I keep singin' songs  
'cause she just likes to hear it  
(\*repeat 2 times)  
(\*\*repeat and fade with counter melody)
