All My Praise

Selah

I will follow You through green pastures
And sing hallelujah to Your Name
I will follow You through dark disaster
And sing Hallelujah through the painAnd even in the shadow of death
I will praise You
And even in the valleys I will sayHoly, my God
You are worthy of all my praise
Holy, my God
You are worthy of all my praiseYou are seated on Your throne in Heaven
And You see all of us down here
And You have promised You will not abandon
So I shall not fearEven in the shadow of death
I will praise You
Even in the valleys I will sayHoly, my God
You are worthy of all my praise
Holy, my God
You are worthy of all my praiseYou made every star
And You taught it how to shine
You knew my name before there was time
And all this was just part of Your glorious design
Hallelujah, HallelujahHoly, my God
You are worthy of all my praise
Holy, my God
You are worthy of all my praiseYou are worthy of all my praise
