

Country Dreamer

Paul McCartney

I'd like to walk in a field with you
Take my hat and my boots off too
I'd like to lie in a field with you
Would you like to do it too, may?
Would you like to do it too? I'd like to stand in a stream with you
Roll my trousers up and not feel blue
I'd like to wash in a stream with you
Would you like to do it too? You and I, country dreamer
When there's nothing else to do
Me, oh my, country dreamer
Make a country dream come true I'd like to climb up a hill with you
Stand on top and admire the view
I'd like to roll down a hill with you
Would you like to do it too, may?
Now would you like to do it too? You and I, country dreamer
When there's nothing else to do
Me, oh my, country dreamer
Make a country dream come true I'd like to climb up a hill with you
Take my hat and my boots off too
I'd like to lie in a field with you
Would you like to do it too, may?
Would you like to do it too?
Would you like to do it too?
