

IL2LU (feat. Nadine Lustre)

James Reid

Listen to me
Oh yeah
Oh yeahO,h listen to me and just let me speak my mind (ooh, girl)
Baby, I'm so into you (so into you)
You see right through me, but I can't get past your eyes (ooh, girl)
Oh, I don't know what to do (How to do it?)
What you've done to me is crazy, but I like it (what you've done to me)
Oh, I like it (what you've done to me)
Ooh, girl
Oh, when you do it, I lose it
Your love's on fire, that's why
(Your love is lit, baby, your love, your love is lit, baby)
Ooh, I like what you've done to me
I'm right where I wanna be
With you here in front of me (ah)
Ooh, I never felt so alive
You are my paradise
You never know how much I
I love to love youI love to love you, I love to love you
I love to love you, I love to love you
I love to love you, I love to love you
I love to love youI know you love me the same way
I know you've been saying my name
Why don't we jump on the next plane?
I won't tell them we went to Spain
And I don't care where we go, oh oh na na
As long as you know
Oh, listen to me and just let me blow your mind
Ooh ooh ooh, ahh ahh ahh
Ooh, I like what you've done to me
I'm right where I wanna be
With you here in front of me
Ooh, I never felt so alive
You are my paradise
You never know how much I
I love to love youI love to love you, I love to love you
I love to love you, I love to love you
I love to love you, I love to love you
I love to love youOh, this love is way too good

It's gettin' heavy (gettin' heavy)
Can I take a second?
And when it goes again I keep forgettin'
That I'm the only you love and I've been happy
Now let me rock your world like MJ, girl (wouh)
I'm ready and I hope you feel the same way, girl (ah)
Are you ready? Ooh, I like what you've done to me
I'm right where I wanna be
With you here in front of me
Ooh, I never felt so alive
You are my paradise
You never know how much I
I love to love you I love to love you (yeah, yeah, yeah), I love to love you
I love to love you (yeah, yeah, yeah), I love to love you
I love to love you (yeah, yeah, yeah), I love to love you
I love to love you (yeah, yeah, yeah, yeah, yo)
