Who Are You

Twerps

I remember the things that you'd do
I know all the things you want me to
Remember
When you're not around
And I don't ever forget your friends
I don't ever forget your drinks
I won't ever forget youWe used to hang around
You'd get drunk
You'd tell me nothing's what it's about
You'd say everything's alright
But I know you were gonna fall overWhy do you lie?
Say everything's a joke
Act like I was nothing
Who are you
To be acting the way that you do
To be saying all the things that you doWe'll get drunk, we'll get stoned, we'll get high, we'll get drunk
We'll get drunk, we'll get stoned, we'll get high, we'll get drunk
And I know it doesn't matter to youI said who are you
To be acting the way that you do
To be saying all the things that you doWe'll get drunk, we'll get stoned, we'll get high, we'll get drunk
We'll get drunk, we'll get stoned, we'll get high, we'll get drunk
And I know it doesn't matter to youI said who are you
To be acting the way that you do
To be saying all the things that you do
I remember when you took me out on my first night on the town
You said everything would be alright
You shout at me
Drinks you gave me the empathy
You said don't worry boy it's gonna be alrightWho are you
To be acting the way that you do
To be saying all the things that you doWe'll get drunk, we'll get stoned, we'll get high, we'll get drunk
We'll get gwunk, we'll get stoned, we'll get high, we'll get drunk
And I know it doesn't matter to youI said who are you
To be acting the way that you do
To be saying all the things that you do(I said) Who are you
To be acting the way that you do
To be saying all the things that you doI said who are you
To be acting the way that you do
Saying all the things that you doWho are you

To be acting the way that you do
Saying all the things that you do
