

# If I Had You (I'd Be Happy)

[Sam Cooke](#)

If I had you honey, I'd be happy  
If I had you, how happy I would be  
If I had you, sweetheart, I'd be so happy  
How I wish you'd belong to me If I had you, I know I have riches  
If I had you, how rich I would be  
If I had you, baby, I have so many riches  
How I wish you belong to me Baby, baby, don't you hear me calling? If I had you I know, I'd be happy  
If I had you, baby, how happy I would be  
If I had you, I'd be so happy  
How I wish you belong to me
