

# It Came Upon A Midnight Clear

Julie Andrews

It came upon the midnight clear  
That glorious song of old  
From Angels playing near the earth  
To touch their harps of gold

Peace on the earth good will to men  
From Heaven's all-gracious King  
The world in solemn stillness lay  
To hear the Angels sing  
The blessed Angels sing

Still through the heavenly skies  
They come, with peaceful wings unfurl  
And still their glorious music floats  
O'er all the weary world

When peace is all over the earth  
It's ancient splendors fling

And their whole world give back the song  
But now the Angels sing  
The blessed Angels sing
