

# Dory Previn

## Camera Obscura

Fed up of girls in pretty dresses  
With boys who want to teach them a lesson  
Sick of the sight of my old lover  
Went under sheets and covers to get away from him  
He can't see what it once meant to me  
I think it's time I put him out of my mind  
So I took a glimpse of Montana  
Now nothing else matters  
I'll heal eventually  
How I adore you Dory Previn  
Turned you up to eleven for the band's ears to bleed  
I can't see what he once meant to me  
Do you think it's time I put it out of my mind?  
Do you think it's time I put it out of my mind?  
I can't see what he once meant to me  
Do you think it's time I put it out of my mind?  
Yeah I think it's time  
I put him out of my mind  
I think it's time  
I let my love for him die
