

Shine

Dolly Parton

Gimme a word, gimme a sign
Show me where to look
And tell me what will I find? What will I find?
Lay me on the ground, fly me in the sky
Show me where to look
And tell me what will I find? What will I find? Yeah
Oh, Heaven let your light shine down
Oh, Heaven let your light shine down
Oh, Heaven let your light shine down
Oh, Heaven let your light shine Love is in the water, love is in the air
Show me where to go
And tell me will love be there? Will love be there?
Teach me how to speak, teach me how to share
Teach me where to go
And tell me will love be there? Will love be there? Yeah
Oh, Heaven let your light shine down
Oh, Heaven let your light shine down
Oh, Heaven let your light shine down
Oh, Heaven let your light shine Gimme a word, gimme a sign
Show me where to look
And tell me what will I find? What will I find?
Lord, teach me how to speak, teach me how to share
Teach me where to go
And tell me will love be there? Will love be there? Yeah
Oh, Heaven let your light shine down
Oh, Heaven let your light shine down
Oh, Heaven let your light shine down
Oh, Heaven let your light shine Oh, Heaven let your light shine down
Let it shine, let it shine, let it shine
Heaven let your light shine down, let it shine
Heaven let your light shine down, shine
Heaven let your light shine down
Heaven let your light shine down Shine, shine
Just gimme a word, gimme a sign, shine
Let it shine, let it shine
Teach me, how to share, teach me where to go
Tell me will love be there? Shine
