

That's Paradise

Steven Curtis Chapman

Jimmy and Mary were quite a pair back in their younger days
They met a married in six weeks time and
That was sixty years ago this May
Four kids made a house a home and a love for Jesus kept them strong
Now every morning at eight A.M. Jimmy takes a drive through town
He spends his days at Mary's side In a home for the old and broken down
With a cane in his lap and a Bible in his hand He reads her stories about the promised land
And with tears in their eyes they dream of a place Where everything changes in the light of Jesus' face
and CHORUS
That's paradise... Hey, that's paradise...
When the life breaks through and the old's made new And the joy will never die, that's paradise In another
corner of this world, met another man named Jim
Told me how twenty years of running from God Had finally gotten the best of him
He said all hope was gone and he wanted to die 'Cause what could God do with such a messed up guy
So we talked about Jesus, God's love and His plan And when Jim walked away he was a brand new
man (Chorus)
