

There's No Penguins in Alaska

Chiodos

She loves me, she loves me not

My love was my decayed

She loves me, she loves me not

He repeated to himself over and over

These petals decide what's next for you and I Never resting time, leads summer on, leads summer on

Never resting time, leads summer on, leads summer on The worst was, the worst was this My love was my decay,

my love was

My love was my decay, my love was Finding oneself in such murderous shame

Playing roulette with a flower

Mislead devotion into seclusion Devotion, devotion

Scream loud as you want to

Scream loud as you want to

There's no way that they can hear you

There's no way that they can hear you Never resting time, leads summer on, leads summer on

Never resting time, leads summer on, leads summer

Never resting time, leads summer on, leads summer on

Never resting time, leads summer on, leads summer on I'll stop stabbing

When you stop screaming
