Grave Digging

The Classic Crime

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey, hey, heyI've been sitting in the suicide lane of Highway 99
Looking for a sign in the headlights
I've been to war with my mind but things will be different this time
I won't be putting up a fightHey, hey, hey, hey, heyGive me your poison pills
Cause I'm digging my star-crossed grave tonight
No longer living a lie, no longer living
No longer living a lie, no longer livingGive me your poison pills
Cause I'm digging my star-crossed grave tonight
No longer living a lie, no longer living
No longer living a lie, hey, hey, heyI've been sitting by the train tracks near the back door of my mind
Im waiting for the planets to align
I've got every good reason to make this open season
I hang my head above the mantle piece tonightHey, hey, hey, hey, heyGive me your poison pills
Cause I'm digging my star-crossed grave tonight
No longer living a lie, no longer living
No longer living a lie, no longer livingGive me your poison pills
Cause I'm digging my star-crossed grave tonight
No longer living a lie, no longer living
No longer living a lie, hey, hey, heyGrave digging
Grave digging
Grave digging
We're digging our own graveGive me your poison pills
Cause I'm digging my star-crossed grave tonight
No longer living a lie, no longer living
No longer living a lie, no longer livingGive me your poison pills
Cause I'm digging my star-crossed grave tonight
No longer living a lie, no longer living
No longer living a lie, hey, hey, heyGive me your poison pills
Cause I'm digging my star-crossed grave tonight
No longer living a lie, no longer living
No longer living a lie, hey, hey, heyGrave digging
Grave digging
Grave digging
We're digging our own grave
