Buzzing

Asian Dub Foundation

This here's the miracle of modern creation
So we say jump up, jump up because you know we're buzzing
Any time we come I say we shock and a sting
Yeah, jump up, jump up because you know we're buzzingAny time we come we shock and sting
Get up, get up come and do something
Like a fly in the sky forever working
I know we shock and we sting anytime we come we getup, getupThis is the miracle of modern creation
We come out of the tunnel not twisted or bitter
Approach the future with a sound that is fitter
Equipping our minds to deal with every situationThis here's the miracle of modern creation
Abandon all your first impressions
Come and take part in this conscious session
Look to the past to get inspiration
Move yourselves forward with the dub accelarationCan't live my life with no rhythm or rhyme
Done enough chilling got to organise my time
You now see I ain't standing still
Just watch me now I've got a lifetime to fill'Cause I'm buzzing
Yeah jump up, jump up 'cause you know we're buzzing
Any time we come we shock and stingWe come so far so fast laying down foundations
Paving the way for the next generation
What we deal with millennium training
Come jump aboard now there's enough time remainingBeen checking the roots so we know where we are going
Time we were reaping for the years we've been sowing
All across europe collecting like minded
Not here to misguide or be dividedCan't live my life with no rhythm or rhyme
Done enough chilling got to organise my time
Drums and bass
Junglist massiveJump up, jump up 'cause you know we are buzzing
Any time we come we shock and we sting
Get up, get up, get up and do something
Like a fly in the sky forever workingChandrasonic you're mad
Chandrasonic you're mad
Can't live my life with no rhythm or rhyme
Done enough chilling got to organise my timeNo sense in standing still
Just watch me now I've got a lifetime to fill
I'm buzzing
Yeah come with me come with meJump up, jump up
'Cause you know we're buzzing
Any time we come we shock and sting

Any time we come we a shock and stingWe come out the tunnel not twisted nor bitter.
