Everything About You

D-side

It's everything about you
Girl this is why I like you like I do
It's everything about you
Your face, got them lips I wanna taste
Got them light, brown eyes
And that smile
Girl you got yourself together
Your hair, French tip toes
Soft hands
So freshly manicured
Girl I'm sure
Ain't no one can look no better
[Bridge:]There ain't no where
That I can take you girl
Without you shut'n it down
With that smooth skin tone
There ain't noone you'd meet
That wouldn't wanna snatch you up
Nad take you home
And get you home
And get you all alone
[Chorus:]Girl this is why I like you like I do
It's everything about you
I'm so into you
Girl I like it when you do me
Like you do
It's everything about you, yeah

It's everything bout you girl
Classy yet so sassy, nasty
Sexy from front to back
From where I am at
I can't wait to buckle that
Your hips, your thighs, your waist
You back. Your curves, your shape
Girl you got everything
Just right for me
[Bridge][Chorus]Girl you stay, on my mind
Girl, all of the time

Drivin' me crazy, feelin you baby
And I can't hide the way I feel about you baby
I don't wanna try
[Chorus]I like it how you're lovin' me
I like it how u make me feel
I like it when I'm next to you
Likin' all the things you do
[Repeat chorus]
