

So Good

Lincoln Brewster

You're the hope in my heart
You're the light in the dark
And You hold me in Your hands
O Most High, O Most High You're the strength when I'm weak
You're the grace that I need
And Your mercy saved my soul
O Most High, O Most High I will sing of Your love in the morning
And Your faithfulness at night You are good, so good
All the time, all my life
You are good, so good
Your love remains You never change
You are good, so good
And I'm still singing because
You are so good, so good In the flood and the flame
You are making a way
And You'll never let me go
O Most High, O Most High Every word You have said
You will never forget
All Your promises will stand
O Most High, O Most High I will sing of Your love in the morning
And Your faithfulness at night You are good, so good
All the time, all my life
You are good, so good
Your love remains You never change
You are good, so good
And I'm still singing
Because You are so good I'm holding on to Your promises
I'm holding on to Your faithfulness
I'm holding on to Your promises
I'm holding on to Your faithfulness You are good, so good
All the time, all my life
You are good, so good
Your love remains You never change
You are good, so good
And I'm still singing because
I know You are good, so good
All the time, all my life
You are good, so good
Your love remains You never change

You are good, so good
And I'm still singing because
You are so good, so good Lord, You are so good
You are so good
You are so good
