it's a tsunami of
blood(Verse 1):

blood everywhere,
blood on the scene, blood where you've been
much more blood than you ever have seen.(Chorus):
When your eye's all crazy
and your mind's all hazy now
Drenched in blood again
When you're drowning in blood like a rat in the flood now
you're drenched in blood again
when it's raining from the sky and you know you're gonna die now
drenched in blood again
and again(Verse 2):

blood on your meat
blood in your seat,
blood on your lens
on your mercedes-benzblood on your back,
