

You Messed Up

Aaliyah

Whaa?
I'm back
You don't say that I'm pretty
All these simple things
Adding up to big ones
There is where you messed up (Whoa oh ooh whoa oh)
No movies or flowers
Hours not knowing
Where you are or who you're with
There is where you messed up

You keep on actin' like
I really need a brother
Man I don't need a brother
Better get your ish together
Can't keep on holding on
Waitin' for you
And baby there is where you messed up
You keep on actin' like
I really need a brother
Man I don't need a brother
Better get your ish together
Can't keep on holding on
Waitin' for you
And baby there is where you messed up
I don't your money no dinners
I got jewelry, winner to loser
And baby there is where you messed up (Whoa oh ooh whoa oh)
You take me for granted
And expect me to stay right here
And wait on you while you're having fun
There is where you messed up
(You keep on actin' like)
(I really need someone)
(Can't keep on holding on yeah)
(You you you yeah)

You keep on actin' like
I really need a brother

Man I don't need a brother
Better get your ish together
Can't keep on holding on
Waitin' for you

And baby there is where you messed up
You keep on actin' like
I really need a brother
Man I don't need a brother
Better get your ish together
Can't keep on holding on
Waitin' for you

And baby there is where you messed up
?? You heading straight for the gate ??
Time to cut my dead weight to you
And baby there is where you messed up
I heard it all a thousand times
Tried to mess with my mind but you
And baby there is where you messed up
I don't need ya dawg

That's where you went wrong uh-ow
I don't need ya dawg
See there is where you messed up
She don't need ya dawg

That's where ya went wrong wrong wrong
She don't need ya dawg
And there is where you messed up
(You keep on actin' like)

(I really need someone)
(Can't keep on holding on no)
(You keep on actin')
(I really need someone)
(Can't keep on holding on no no-no)

You keep on actin' like
I really need a brother
Man I don't need a brother
Better get your ish together
Can't keep on holdin' on
Waitin' for you

And baby there is where you messed up
You keep on actin' like
I really need a brother
Man I don't need a brother
Better get your ish together
Can't keep on holdin' on

Waitin' for you
And baby there is where you messed up
