Thank You Allah

Raihan

The sky is clear
The air is clean
The land is green
Thank you AllahThe path we walk
The lines we talk
The thing we see
Thank you Allah
Thank you AllahSay Thank You Allah
Thank You AllahWhen I sleep
When I eat
When I breath
Thank You Allah
Thank You AllahSay Thank You Allah
Thank You AllahIn the night or in the day
Every morning after prayer
I'll never forget to say thank youThere are times when I'm alone
Feel alright or not so strong
I'll pray to you and say
Thank You Allah
Thank You AllahSo friends every time remember
Allah The Most Merciful
Say Thank you Allah
Thank You Allah
