Meet Me Half Way

Kenny Loggins

In a lifetime, made of memories I believe in destiny Every moment returns again in time When I've got the future on my mind Know that you'll be the only one Meet me halfway across the sky Out where the world belongs to only you and I Meet me halfway across the sky Make this a new beginning of another life In a lifetime there is only love Reachin' for the lonely one We are stronger when we are given love When we put emotions on the line Know that we are the timeless ones Meet me halfway across the sky Out where the world belongs to only you and I Meet me halfway across the sky Make this a new beginning of another life Meet me halfway across the sky Out where the world belongs to only you and I Meet me halfway across the sky Make this a new beginning of another life Meet me halfway across the sky
