

Buzzin

[Alina Baraz](#)

Goin' overboard, I don't wanna stop now
You just struck a chord, spinnin' me around
Mr. Energy, it's the chemistry, oh-oh, oh-oh
Gimme somethin' that I've never had, gimme
somethin' and I'll meet you halfway
A little somethin' that's gon' make it last, one
for you, one for me...

I-I-I need your lovin',
G-G-G-Gimme somethin',
A-A-A-All or nothin',
K-K-K-Keep me buzzin', buzzin'
Buzzin', buzzin'
Buzzin'

Fire in your eyes, strikin' me light lightning
Woman of my soul, always hypnotizing
Mister Energy, It's the chemistry, oh-oh, oh-oh
Gimme somethin' that I've never had, gimme somethin' and I'll meet you halfway
A little somethin' that's gon' make it last, one for you, one for me...

I-I-I need your lovin',
G-G-G-Gimme somethin',
A-A-A-All or nothin',
K-K-K-Keep me buzzin', buzzin'.
Buzzin', buzzin'

Buzzin'
All day, all day
Day, day
All day

I-I-I need your lovin',
G-G-G-Gimme somethin',
A-A-A-All or nothin',
K-K-K-Keep me buzzin', buzzin'
Buzzin', buzzin'
Buzzin'
