

Somewhere in Between

Kate Bush

We went up to the top of the highest hill
And stopped
Still It was just so beautiful
It was just so beautiful
It was just so beautiful This is where the shadows come to play
'Twi'x the day
And night
Dancing and skipping
Along a chink of light Somewhere in between
The waxing and the waning wave
Somewhere in between
What the song and silence say
Somewhere in between
The ticking and the tocking clock
Somewhere in a dream between
Sleep and waking up
Somewhere in between
Breathing out and breathing in
Like twilight is neither night nor morning Not one of us would dare to break
The silence
Oh how we have longed
For something that would
Make us feel so Æ?Â Somewhere in between
The waxing and the waning wave
Somewhere in between
The night and the daylight
Somewhere in between
The ticking and the tocking clock
Somewhere in between
What the song and silence say Somewhere in between
Breathing out and breathing in Goodnight sun
Goodnight sun Goodnight mum
