

# Hey Boy

## Teddybears STHLM

yo u yoww  
wats goin' on  
your bout to witness something youve probly witnessed before  
when you tried some really crazy stuff you know wat im sayin'  
im talking bout that jimmy hendricks stuff  
but this is the teddy bear stuff okay  
so just sit back and enjoy your muther fuken self before i kick your fukin assthat's when your ass be shaking all  
over the place whos the bum cuzzin' along in your hi fi  
stckin' do hitting the bong its the swing fly  
teddy bear sound is the bomb and you know why  
none of this ill can be wrong and the beats thighthey boy  
get your rocks off  
move boy  
we put the clock on you boy you cant miss  
my friend you get knocked down get up againhey boy  
get your rocks off  
move boy  
we put the clock on you boy you cant miss  
my friend you get knocked down get up againyou can smell some of the funk when we breeze by  
we got enuf shit to go round, hit the peace pipe  
we can do the dunkedy-dunk and its all night  
yea baby dunkedy-dunk and its all nighthey boy  
get your rocks on  
move boy  
we put the clock on you boy  
you cant miss  
my friend you get knocked down get up again  
hey boy  
get your rocks off  
move boy  
we put the clock on you boy you cant miss  
my friend you get knocked down get up againthis shit it fuked up rite  
its fuked up but you love itall we came to do was raise hell and just have fun  
you can take the skinny girl cause i want the fat one  
you better raise the base leave the trebel on plus one  
can you put me on the guest list  
twenty girls plus onehey boy  
get your rocks off  
move boy

we put the cock on you boy  
you cant miss  
my friend you get knocked down get up again  
hey boy  
get your rocks off  
move boy  
we put the clock on you boy you cant miss  
my friend you get knocked down get up againi have alotta problems but im here to discuss one  
well pass another bottle caus i wont settle for just one  
get ready for the chorus cause im just about dun  
get ready for the du, the du, come onhey boy  
get your rocks off  
move boy  
we put the clock on you boy you cant miss  
my friend you get knocked down get up again  
hey boy  
get your rocks off  
move boy  
we put the clock on you boy you cant miss  
my friend you get knocked down get up again  
hey boy  
get your rocks off  
move boy  
we put the clock on you boy you cant miss  
my friend you get knocked down get up again
