My Type

45 Grave

I am 45 Grave
No reason 45 Grave
What is 45 Grave
What is in my mind
45 Grave in outer space
Demon at a slow pace
What is in my mind
The dying time is behind
45 Grave is out
The devil's evil has been viewed
As gamma rays from the moon
The devil's evil had been viewed
To be the knowledge of 45 Grave
Shriek alarm plays face
45 Grave floating in fire
Hit things for hire
Shriek alarm plays face
Anti-no-non in straight lace
45 Grave floating in fire
Hit things for hire
Shriek alarm plays face
45 Grave floats
