

# Willy Jones

Susan Raye

Met a boy named Willie Jones comes from the wrong side of town  
Daddy said he ain't no good don't want him hanging around  
Mama said that I'm too young to know what I feel  
But I know I love Willy Jones and I always will  
Willy Jones it's you and me against all the world  
I don't care what people say I'm gonna be your girl  
Just because our love is young don't mean it's not real  
God knows I love Willy Jones and I always will  
[ guitar ]  
Hammers nails and puppy dog tails is what they call Willy Jones  
Tambourines and guitar strings don't make us all wrong  
Don't do this and don't do that has got my future looking dim  
Oh Willy Jones can't come to me I'm gonna go to him  
Willy Jones it's you and me...  
Willy Jones it's you and me...
