

Angels Cry

Mariah Carey

I shouldn't have walked away
I would've stayed if you'd say
We could've made everything okay, but we just
Threw the blame back and forth, we treated love like a sport
The final blow hit so low, I'm still on the ground I couldn't have prepared myself for this fall
Shattered in pieces, curled on the floor
Super natural love conquers all, remember we
Used to touch the sky
And lightning don't strike
The same place twice, when you and I,
Said goodbye I felt the angels cry
True love's a gift,
But we let it drift in a storm
Every night I feel the angels cry C'mon babe, can't our love be revived?
Bring it back and we gon' make it right
I'm on the edge, just tryin' to survive
As the angels cry Limitless omnipresent, kind of love
Couldn't have guessed it would just stop and disappear
In a whirlwind
Here I am walkin' on this narrow rope wobbling
But won't let go, waitin' for a glimpse of the sun's glow I know I can stand just pull me back up
Like there ain't no hurricane it's just us
I'm willing to live and die for our love
Baby, we can get back that shine 'Cause lightning don't strike, the same place twice
When you and I, said goodbye, I felt the angels cry
'Cause true love's a gift, but we let it drift, in a storm
Every night, I feel the angels cry C'mon babe, can't our love be revived
Bring it back and we gon' make it right
I'm on the edge, just tryin' to survive
As the angels cry Baby, I'm missin' you, don't allow love to lose (Don't let our love)
We gotta ride it through,
I'm reaching for you (Baby I'm missin' you)
Baby, I'm missin' you, don't allow love to lose (You can)
We gotta ride it through, (We gotta ride it)
I'm reaching for you (And I'm gonna say) Oh lightning don't strike, the same place twice
You and I, said goodbye, felt the angels cry
'Cause true love's a gift, we let it slip, in a storm
Every night, I feel the angels cry,
Oh babe don't let the angels cry
