

# Betcha Say That

Gloria Estefan

Betcha say that  
Betcha say that  
Betcha say that  
To all the girls  
You say, you'll be my knight in shining armor  
We'll run away and live a life of glamor  
You say for me, you'll be true blue  
You say, you want me everywhere beside you  
And that you just cannot live without me no  
You say, "I love you"  
I betcha say that to all the girls  
Betcha say that  
You say you wish, I wasn't so defensive  
You try to kiss me but I'm apprehensive  
No, no, I just don't believe you  
You say, you feel as though you're going crazy  
Your head is spinning and your eyes are hazy  
You say, I want you  
I betcha say that to all the girls  
Betcha say that, betcha say that  
I betcha say that to all the girls  
Betcha say that  
I just don't know why  
I don't believe you  
But I want you anyway  
You say you wanna fall in love forever  
You'll get place where we can be together  
No more secret rendezvous  
You say, you're tired of always feelin' lonely  
And that you want me for your one and only  
You say, "I wanna marry you"  
I betcha say that to all the girls  
I betcha say that  
I betcha say that  
It's your favorite line and you think it's gonna work every time, ooh baby  
Betcha say that line to all the girls  
B-b-baby, I betcha say that, say that  
I betcha use that line on all the girls  
You think I was born yesterday

You think with me that you can have your way  
Ooh baby, betcha say that line, to all the girls  
Betcha say that
